Dear Nathan,

Please find enclosed a check for \$17,352.50 which ought to be close to the final payment on our project. I would like to take this opportunity to tell you how much Jodie and I enjoyed working with you and your team. The quality of your work was excellent, everyone worked together to produce a superior result and you did a great job of coordinating the entire project to insure that costs and time-frames stayed well on track.

We will be happy to serve as unqualifiedly positive references for you and hope that you might be available the next time we seek to take on a project of this magnitude (or larger).

Very truly yours,

James (Jim) Rea
